Dear Public Television Station:

All Executive Program Services, Inc. (EPS) programs are closed-captioned by certified closed-captioning companies (such as Captionmax and CaptionLink) and delivered to Public Television Stations closed-captioned in full compliance with the Caption Quality Standards released by the Federal Communications Commission (FCC) Report and Order on February 20, 2014 and taking effect on January 15, 2015. EPS and our closed-captioning vendors pledge to remain faithful to the program information and reference video supplied by the video programmer. Thank you for your interest in and broadcast of EPS closed-captioned programming.

Sincerely,

Executive Program Services, Inc.
