

A Bear Who Didn't Eat Fruit

by Claire Erickson
1st Gr.

It begin with a sweet day. Mother said "Son, wake up. It's time to eat." Junior the Bear only ate honey. "Mother, I'm going to my friend's house. said

junior."Son, but be
back for lunch."No, please
Junior said. I'm hav-
ing lunch at my
friend's house. Then jun-
ior went off to his
friend's house. Later

junior ate honey
for an hour. Then on
the way home junior
spent all his mo-
ney on honey. Then
junior found ten hon-
ey hives. So, he ate

all the honey in them. Then later junior ate so much honey in the honey jar, he almost ate all the honey in the honey jar. Later he ate all the honey in the honey jar. Then junior the Bear felt sick. All the honey was gone but junior didn't want to eat fruit. Then the Bear was hungry. He ate enough fruit that he wasn't sick.

anymore. So he learned his lesson and didn't eat honey for a week. The Bear who didn't eat fruit decided he loved fruit.
