

Tony and the Bad Meat Dream by Kira Matines

1st 6.

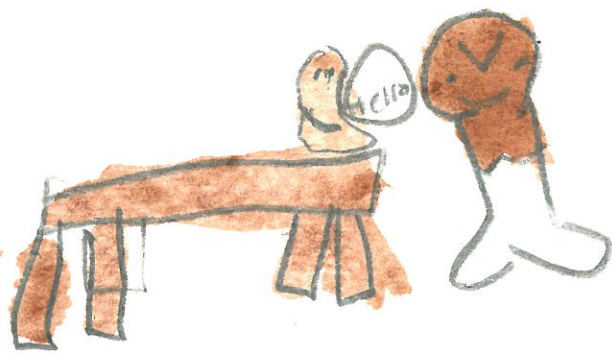

TONY brushed his teeth
and went to bed. Later
that night he had a bad dream
about meat. The meat was
chasing him!

The meat got hungry
because when he ran he used
all his energy. So Tony
got some bananas out
so the meat gobbled up
all the bananas.

Then the meat went
back to chasing Tony.
Tony had an idea he got
a baby steak. The baby
steak can be a friend
for the meat.

Then the baby steak
said let's go outside.
OK said the meat. So
they all went outside to
play on the playground.

And then Tony woke up
and told his mom every
thing. Then they had some
breakfast.
