

Eve goes to the Dentist. By Lydia

There was a ten year
old girl named Eve. Eve loved
to eat cookies a lot.

But Eve did not like veggies!
oh no! One day she got a cavity!
So she went to the Dentist.
No no no no no no no I am
not going to the Dentist Mommy Eve
said. But she went to the Dentist.

You should eat one cookie a day.
And you should eat a lot lot lot
of veggies the dentist said. And
Eve had some veggies and liked them.

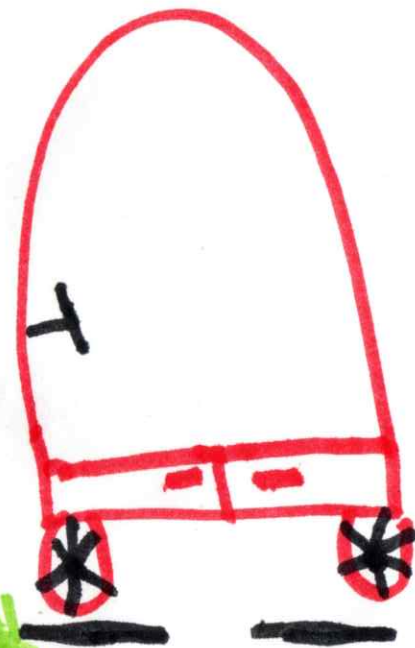

Brush your teeth too the Dentist
said. Eve and the Dentist brushed
Eve's teeth.

Can we go to the Dentist soon?
Eve said. Can we mom?
yes Eve! We will go to
the Dentist some time. ethe end!

The end!
