found her

Sparkle

by Emily D'Costa

Once upon a time, there was
a Unicorn named Sparkle
she loved to play.
With her horn, Unicorn brought
Joy to the world.

One day Sparkle found
the treasure of candy
mommy had hidden away. She
tried one candy and loved it,
she get it all up,
Gulp! Sparkle was so
stuffed.

The next day, Sparkle's
teeth hurt. She was
too sad to play.
She couldn't make
magic with her horn.

Suddenly there was a
whiff of cloud and rustling
leaves. A tooth-fairy showed up.

Hi Sparkle! I'm a
tooth fairy. Brush your
teeth, eat healthy food
and drink water and your
magic will be back!

From that day on, Sparkle brushed
her teeth, ate healthy food and
drank water. She just ate a
little candy for dessert. And
her magic was back again!
The End.
