Once upon a time there
was a boy named DeRay
and he went to school
In the feuchere and
there was a bus the
bus was Amasing It
had no driver and guest
what! It had no weels
and It was a self dreveing
bus.

When DeRay arrived at school he entered the classroom it was amazing because the classroom has a lot of technology like smart board and smart desk. The class part is the teachers chair it is electric.
