# JURASSIC PARK

Chapter 1: Jurassic Park

I am going to go to Jurassic Park with my favorite teacher Mrs. Miller. After millions of hours and hours (not really) we arrived.

A bright golden silver, black building appeared

before us. "Tickets" said a man whose suit

matched the building. "Here" said Mrs. Miller. As

we walked in we saw lots of dinosaur drawings.

"What should we do first?" I asked. Dinosaur Ring Toss. She said. "5 points, 100 points, 1000 points, 1000000 points." I said. "Can we go to the play?" I asked. "Sure!" She said. We went to that.

## Chapter 2: The Play

The play started. The Professors are going to attack, said Ranger Pauku. Get the Simpsons

Get the Spinosaurus he's our only chance.

Ranger Kyak said. Launch the Cannons it's the

T-rex's fight. Said Professor Ken. After a

long, long, long time it was T-rex vs. Spinosaurus

The shifty Spinosaurus charged and bite

the T-rex's neck. The Rangers won! Good won!

And we headed to the bus.
