

Learning Together

Teach Your Way

The world is full of possibilities and so are your students! Inspire their curiosity each day with the activities, printables, and videos below. Create “anytime” moments of playful learning with resources from [az.pbslearningmedia.org](https://az.pbslearningmedia.org), [azpbs.org/kids](https://azpbs.org/kids) and the **PBS KIDS Video app**.

THEME	Collection	Video	Digital Game	Document	Activity	Family Time	Explore More
Joint Engagement Learning	<b>Working Together</b> Introduce media and resources to help your students learn to work together and support one another.	<b>Tennis Talk   TINY TIME TRAVEL</b> Your students will explore different ways to communicate, such as practicing taking turns and using nonverbal communication.	<b>My Bedtime   DANIEL TIGER'S NEIGHBORHOOD</b> Help Daniel Tiger get ready for bed.	<b>My Family and Me Bingo   PBS KIDS</b> Use these printable resources ( <b>PreK-K</b> and <b>K-2</b> ) to celebrate what makes families special.	<b>Choose a picture from a cereal box, photo, or calendar. Then, cut it into multiple pieces and work together to put the pieces back together.</b>	<b>Build Self-Confidence With a Goal-Setting Activity   SESAME STREET</b> Help your students set goals and work together to achieve them!	<b>Finding a Way to Play   DANIEL TIGER'S NEIGHBORHOOD</b> This video features two young boys as they find different ways of playing together.
Building Communication	<b>TINY TIME TRAVEL</b> Resources in this collection help kids learn social language skills and taking others' perspectives into account.	<b>PBS KIDS Talk About: Friendship</b> PBS KIDS asked real families to share what makes a good friend and what to do when someone is being a bully.	<b>Story Emporium   WORK IT OUT WOMBATS!</b> It's story time! Join Ellie and the Wombats to create four different stories.	<b>Offering Comfort   SESAME STREET</b> Remind your students about the people who care about them as they draw them in their "Circle of Care."	<b>Choose one family photo and talk about who is in it, where it took place, and what happened.</b>	<b>Supporting Great Communication Skills for Kids   TINY TIME TRAVEL</b> Help your students learn how to use different forms of language and communication based on the situation.	<b>Tyler's Sister Shana   TINY TIME TRAVEL</b> Co-view this video to explore intentions, motivations, and beliefs and how they may differ from others.
Home and Community Learning Environments	<b>Community Helpers</b> Explore lesson plans and activities to talk about the important roles community helpers play in helping others.	<b>Samira's Stand   TINY TIME TRAVEL</b> See how written language can be used for different purposes, like informing and persuading, with this video.	<b>Neighbor Day   DANIEL TIGER'S NEIGHBORHOOD</b> Take a ride with Trolley through Daniel's neighborhood and help friends along the way.	<b>"Getting to Know You"   PBS KIDS</b> Build two-way communication with your students and their families using these "Getting to Know You" printables.	<b>Go on a weather walk. Share your observations.</b>	<b>Create Leaf and Bark Art   THE CAT IN THE HAT KNOWS A LOT ABOUT THAT</b> Encourage your students to explore the trees in new ways while creating beautiful, nature-inspired artworks.	<b>PBS KIDS Talk About: Celebrating Family</b> This video features family members talking about what they like to do together.
Sharing Experiences and Perspectives	<b>PBS KIDS Talk About</b> Co-view real parent-child conversations about a wide range of topics and reivew tips and resources to help foster meaningful conversations.	<b>PBS KIDS Talk About: Race and Racism</b> Families talk about racial identity and how it is incumbent on all of us to actively work towards building a more equitable society.	<b>So Funny I Forgot to Laugh   ARTHUR</b> Arthur teases Sue Ellen. Your students can follow along with the story and then decide how the story should end.	<b>Perspective Glasses   Alma's Way</b> In this activity, students will create paper glasses to visualize others' perspectives.	<b>Write three interview questions you would like to ask a grown-up.</b>	<b>JAMMING ON THE JOB</b> Each podcast highlights foundational skills relevant to different careers, such as empathy, social problem solving, and responsibility.	<b>Dance Contest   TINY TIME TRAVEL</b> Your students will see how "rules" of communication may differ across cultures with this video.
Co-Creating and Exploring	<b>Elements of Art</b> Introduce hands-on activities to help learners develop fine-motor skills, practice listening to verbal instructions, and more.	<b>Plant a Garden: Part 1   DONKEY HODIE</b> Build a garden and take care of the plants with your students!		<b>Field Guide Family Activity   MOLLY OF DENALI</b> Use this Field Guide to Birds to identify and learn more about birds in your neighborhood.	<b>Create a set of instruments from recycled materials. Then, invite others to participate in your band.</b>	<b>Play Pretend: Practice Including Others   ARTHUR</b> This pretend play activity allows families to talk about conflicts in a calm setting.	<b>Collecting and Sorting   ELINOR WONDERS WHY</b> Encourage your students to make careful observations by collecting and sorting objects both inside and outside.
