

SUPER WHY is looking for SUPER READERS in your neighborhood!

Arizona PBS is seeking education sites that serve 5-year-old children who will be attending kindergarten in Fall 2026. Interested sites should be able to provide classroom space for up to 25 children, and certified educator(s) and teaching assistants who work with kindergarten students during the school year.

Super Why! is a nationally recognized & researched, kindergarten readiness resource created to help children learn the fundamentals of reading through interactive storybook adventures. Based on the "Science of Reading," children will play with letters, sounds and words while discovering the super power to READ! Children will participate in games, crafts, and other activities to help get ready for kindergarten.

Resources & activities will also be provided to parents/caregivers to support their children's success as they get ready for school.

Arizona PBS education team provides facilitator training to educators and assistants conducting the camps. All materials and incentives are provided by Arizona PBS.
