

Yuma County Community of Practice

Arizona PBS is bringing Community of Practice opportunities for Early Childhood Education practitioners.

If you are interested in learning more about our professional development sessions, contact us for more information as space is limited. The sessions are once a month and they offer collaboration between colleagues, sharing strategies and much more.

The curriculums used for the community of practice are the following:

Program for Infant Toddler Care (PITC)

Pyramid Model

Center on the Social and Emotional Foundations for Early Learning (CSEFEL)

LETRS for Early Childhood Educators
