ARIZONA PBS

ANNUAL LUNCHEON

ARIZONA PBS invites you to its annual luncheon at the iconic Arizona Biltmore, where food, media, and community come together in a celebration of public media, on Wednesday February 17, 2027.

This year's event features keynote speaker Al Roker, the Emmy award-winning weather anchor and longtime co-host of NBC's "TODAY." Roker stars in PBS KIDS show as Al Hunter of "Weather Hunters." This animated STEM series is designed to support kids learning about earth science and meteorology.

Join us for an afternoon of delicious dining, engaging conversation, and support for quality programming. Reserve your seat today for this unforgettable experience!

Join us and celebrate Arizona PBS's first full year as a 100% community funded organization. Hear from Arizona PBS leadership, local talent, and our new head of Educational Outreach.

All funding raised by the luncheon will go to support the station's educational outreach efforts across the state of Arizona.
